

Philippians 1:3-5 *I thank my God in all my remembrance of you,*

always offering prayer with joy in my every prayer for you all, in the view of your participation in the gospel from the first day until now.

We are grateful for your continued support of Blessings of Joy (BOJ).

We want to share with you Good News from Uganda!

“Days for Girls” hygiene kits made it to Mweruka Junior School (MJS) in March. Dr. Kathy Parks traveled to Uganda to deliver the kits and helped to educate the girls. Many hands from Oklahoma State University medical students and women of Redeemer Covenant Church contributed to the making of the kits that will keep our girls in school. www.daysforgirls.org

**During our last concluded gospel mission in early April, over three hundred people gave their lives to Christ. We thank all our partners and supporters,
Solomon**

A van donated by The Bridge Church, Bixby, OK enables Solomon and Benon to reach more people with the Gospel and provides BOJ with much needed transportation. They are planning to visit a prison to give the gift of hope and forgiveness in May and June.

Solomon loves his time with Blessing of Joy's children. Since returning to Uganda, he has been able to spend time at Mweruka Junior School, overseeing, teaching and interacting with the students, teachers and support staff. The MJS kitchen is complete. A library has been built and is awaiting books. With so little, God has accomplished so much. Look at the joy on the faces of these children, yet their life stories have brought Solomon to tears. *We are praying for more blessings and joy to come. We hope to increase the number of sponsored children.*

We look forward to the love and care from a medical mission arriving in August, with Dr. Stan and Barbara Grogg, ARNP, plus their team from Power of a Nickel.
